WORLD CLASS FRAGRANCES FOR MEN

Some have the power to inspire our tomorrows. Others are born with the ability to evoke sweet memories.

English Blazer with its unforgettable and enduring charm, is one of those rare fragrances that is able to do both.

Introduced in 1951, English blazer has a very rich history and is one of the very few surviving fragrance brands for over six decades. It is now a focused Men's fragrance range that has a very loyal user following across the globe.
